BETWEEN THE
OFFICE OF INSPECTOR GENERAL
OF THE
DEPARTMENT OF HEALTH AND HUMAN SERVICES
AND
HOSPITAL HILL HEALTH SERVICES CORPORATION**

I. PREAMBLE

Hospital Hill Health Services Corporation (“HHHSC”), a corporation that employs physicians who provide services under contract at Truman Medical Center (“TMC”), and provides billing and coding services for those physicians, hereby enters into this Corporate Integrity Agreement (“CIA”) with the Office of Inspector General (“OIG”) of the United States Department of Health and Human Services (“HHS”) to ensure compliance with the requirements of Medicare, Medicaid and all other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f))(hereinafter collectively referred to as the “Federal health care programs.”) by its full and part time non-occasional¹ physicians, employees, contractors and third parties who are involved in the provision of health care services or are involved directly or indirectly in billing or coding (hereinafter collectively referred to as “covered persons”). HHHSC’s compliance with the terms and conditions in

¹ “Non-occasional” employee includes any individual serving temporary assignments of at least two weeks cumulative over a twelve-month period.

this CIA shall constitute an element of HHHSC's present responsibility with regard to participation in the Federal health care programs. Contemporaneously with this CIA, HHHSC in conjunction with TMC is entering into a Settlement Agreement with the United States, and this CIA is incorporated by reference into the Settlement Agreement. On March 11, 1999 HHHSC and the OIG executed a CIA. The OIG acknowledges that HHHSC has been implementing on an ongoing basis the requirements of the March 11, 1999 CIA. Therefore, the obligations set forth in this CIA will reflect and incorporate those ongoing implementation efforts. Notwithstanding, this CIA upon its execution shall supersede the March 11, 1999 CIA.

II. TERM OF THE CIA

The period of the compliance obligations assumed by HHHSC under this CIA shall be five (5) years from March 11, 1999 CIA effective date of the prior CIA (unless otherwise specified). However, the effective date of this CIA will be the date on which the final signatory of this CIA executes this CIA.

III. CORPORATE INTEGRITY OBLIGATIONS

HHHSC represents that on October 22, 1997, HHHSC formally commenced a Corporate Compliance Program (hereinafter referred to as the "Compliance Program") to demonstrate "its strong and abiding commitment to ensuring that it's affairs are conducted in accordance with applicable law." Therefore, pursuant to this CIA and for the duration of this CIA, HHHSC hereby agrees to maintain in full operation its current

Compliance Program (the documents, which the parties recognize may be updated or revised during the terms of this CIA, describing this Program shall be attached to this CIA as Schedule A).

HHHSC hereby agrees to amend, to the extent necessary, its current Compliance Program to include the following additional elements or requirements:

A. Compliance Officer. HHHSC shall ensure that its Compliance Officer is responsible for developing and implementing policies, procedures, and practices designed to ensure compliance with the requirements set forth in this CIA and with the requirements of the Federal health care programs. The Compliance Officer shall be a member of senior management of HHHSC , shall make regular reports regarding compliance matters directly to the CEO and/or to the Board of Directors of HHHSC and shall be authorized to report to the Board of Directors at any time. In the event a new Compliance Officer is appointed during the term of this CIA, HHHSC shall notify the OIG, in writing, within fifteen (15) days of such a change.

B. Written Standards.

1. *Code of Conduct*. HHHSC shall ensure that its Code of Conduct meets the following elements or requirements. The Code of Conduct shall, at a minimum, set forth:

- a. HHHSC's commitment to full compliance with all statutes, regulations, and guidelines applicable to Federal health care

programs, including its commitment to prepare and submit accurate billings consistent with Federal health care program regulations and procedures or instructions otherwise communicated by the Health Care Financing Administration ("HCFA") (or other appropriate regulatory agencies) and/or its agents;

b. HHHSC's requirement that all of its covered persons shall be expected to comply with all statutes, regulations, and guidelines applicable to Federal health care programs and with HHHSC's own policies and procedures (including the requirements of this CIA);

c. the requirement that all of HHHSC's covered persons shall be expected to report suspected violations of any statute, regulation, or guideline applicable to Federal health care programs or with HHHSC's own policies and procedures;

d. the possible consequences to both HHHSC and to any covered persons of failure to comply with all statutes, regulations, and guidelines applicable to Federal health care programs and with HHHSC's own policies and procedures or of failure to report such non-compliance; and

e. the right of all employees to use the confidential disclosure program (Employee Reporting program), as well as HHHSC's

commitment to confidentiality and non-retaliation with respect to disclosures.

HHHSC shall make the promotion of, and adherence to, the Code of Conduct an element in evaluating the performance of managers, supervisors, and covered persons. New covered persons shall receive the Code of Conduct and shall complete the required certification within thirty (30) days after the commencement of their employment or contractual relationship or within one hundred twenty (120) days of the effective date of the CIA, whichever is later.

HHHSC will annually review the Code of Conduct and will make any necessary revisions. These revisions shall be distributed within thirty (30) days of initiating such a change. Covered persons shall certify on an annual basis that they have received, read, understand and will abide by the Code of Conduct.

2. *Policies and Procedures.* HHHSC shall ensure that its existing Compliance Program written Policies and Procedures meet the following requirements:

a. The Policies and Procedures shall demonstrate HHHSC's commitment to compliance with all federal and state health care statutes, regulations, and guidelines, including the requirements of the Federal health care programs.

b. There shall exist a comprehensive set of policies that delineate billing and coding procedures for the company. The written policies shall articulate specific procedures personnel should follow when submitting initial or follow-up claims

to Federal health care programs, with a particular focus on risk areas for fraud and abuse in billing and coding (e.g., those delineated in the OIG's Compliance Program Guidance for Third-Party Medical Billing Companies).

c. The Policies and Procedures shall also address the proper provision, documentation, coding and billing of prenatal and other OB/GYN services, including deliveries of newborn children. HHHSC shall ensure that it only bills under a global prenatal billing code if the prenatal visit services are provided in accordance with the relevant Medicaid rules and regulations. HHHSC shall also ensure that it does not improperly bill Federal health care programs for OB/GYN physician services provided by individuals who are not properly licensed as physicians or who are not properly enrolled in Federal health care programs.

HHHSC shall assess and update as necessary the Policies and Procedures at least annually and more frequently, as appropriate. The Policies and Procedures will be available to OIG upon request.

Within one hundred twenty (120) days of the effective date of the CIA, any new relevant portions of the Policies and Procedures shall be distributed to all appropriate covered persons. Compliance staff or supervisors should be available to explain any and all policies and procedures.

C. Training and Education².

1. *General Training.* HHHSC shall supplement its current employee training program by providing a general training program for every covered person . This general training shall explain HHHSC's:

- a. Corporate Integrity Agreement requirements;
- b. Compliance Program (including the Policies and Procedures as they pertain to general compliance issues); and
- c. Code of Conduct.

These training material shall be made available to the OIG, upon request.

New covered persons shall receive the general training described above within thirty (30) days of the beginning of their employment or within one hundred twenty (120) days after the effective date of this CIA, whichever is later. Every covered person shall receive such general training on an annual basis. This training requirement described above shall be in addition to HHHSC's current training and education activities, which it shall continue to maintain for the duration of this CIA.

2. *Specific Training.* HHHSC represents and warrants that its current training and education program includes annual training for each covered person who is involved

² OIG recognizes that TMC is simultaneously executing a CIA which requires training be administered to physicians employed by HHHSC. It is not the intention of the OIG to impose duplicate training requirements upon physicians serving TMC; therefore, physicians providing services at TMC and meeting the training requirements in the TMC CIA are expressly exempted from the training provisions contained herein.

directly or indirectly in the preparation or submission of claims for reimbursement (including but not limited to coding and billing) to Federal health care programs on all applicable reimbursement laws, regulations and rules as well as appropriate billing policies, procedures and practices. HHHSC will continue for the duration of this CIA to provide such annual training, as that described in the Agreement made and entered into on December 1, 1998 by and between Transcend Services, Inc. and TMC ("Transcend agreement") or such other training that is substantially similar to that provided for in the Transcend agreement.

3. *Certification.* Every covered person shall certify, in writing, that he or she has attended the required training. The certification shall specify the type of training received and the date received. The Compliance Officer shall retain the certifications, along with specific training course materials. These shall be made available to OIG upon request.

D. Review Procedures. HHHSC shall perform review procedures to assess the adequacy of its billing and compliance practices pursuant to this CIA. This shall be an annual requirement and shall cover a twelve (12) month period. HHHSC shall retain an Independent Review Organization ("IRO") such as an accounting, auditing or consulting firm, which shall verify HHHSC's annual audit findings. The IRO must have expertise in the billing, coding, reporting and other requirements of the Federal health care programs from which HHHSC seeks reimbursement.

HHHSC will conduct two separate audits. One audit will analyze HHHSC's billing to the Federal health care programs to determine compliance with all applicable statutes, regulations, and directives from HCFA and/or its contractors ("billing audit"). The other audit will determine whether HHHSC is in compliance with this CIA ("compliance audit").

1. *Billing Audit.* The billing audit shall consist of a review of a statistically valid sample of claims that can be projected to the population of claims submitted to the Federal health care programs for the relevant period. The sample size shall be determined through the use of a probe sample. At a minimum, the full sample must be within a ninety (90) percent confidence level and a precision of twenty-five (25) percent (i.e., the upper and lower bounds of the 90% confidence interval shall not exceed 125% and shall not fall below 75% of the midpoint of the confidence interval, respectively). The probe sample must contain at least thirty (30) sample units and cannot be used as part of the full sample. Both the probe sample and the sample must be selected through random numbers. HHHSC shall use OIG's Office of Audit Services Statistical Sampling Software, also known as "RAT-STATS," which is available through the Internet at "www.hhs.gov/progorg/oas/ratstat.html".

Each annual billing audit analysis shall include the following components in its methodology to be performed by HHHSC and verified by the IRO:

- a. **Billing Audit Objective:** A clear statement of the objective intended to be achieved by the billing audit and the procedure or combination of procedures that will be applied to achieve the objective.
- b. **Billing Audit Population:** Identify the population, which is the group about which information is needed. Explain the methodology used to develop the population and provide the basis for this determination.
- c. **Sources of Data:** Provide a full description of the source of the information upon which the billing audit conclusions will be based, including the legal or other standards applied, documents relied upon, payment data, and/or any contractual obligations.
- d. **Sampling Unit:** Define the sampling unit, which is any of the designated elements that comprise the population of interest.
- e. **Sampling Frame:** Identify the sampling frame, which is the totality of the sampling units from which the sample will be selected.

The billing audit shall provide:

- a. findings regarding HHHSC's billing and coding operation (including, but not limited to, the operation of the billing system,

strengths and weaknesses of this system, internal controls, effectiveness of the system);

b. findings regarding whether HHHSC is submitting accurate claims for services billed to the Federal health care programs;

c. findings regarding HHHSC's procedures to correct inaccurate billings or codings to the Federal health care programs;

d. findings regarding whether HHHSC's programs, policies, operations, and procedures comply with the applicable statutes, regulations and other requirements the Federal health care programs from which HHHSC seeks reimbursement; and

e. findings regarding the steps HHHSC is taking to bring its operations into compliance or to correct problems identified by the audit.

2. *Compliance Engagement.* HHHSC shall also conduct a compliance audit that shall provide an analysis of whether HHHSC's program, policies, procedures, and operations comply with the terms of this CIA. This engagement shall include a section by section analysis of the requirements of this CIA.

3. *Verification/Validation.* In the event that the OIG believes that HHHSC's internal audit fails to conform to its obligations under the CIA or indicates improper billings not otherwise adequately addressed in the audit report and thus

determines that it is necessary to conduct an independent review to determine whether or the extent to which HHHSC is complying with its obligations under this CIA, HHHSC agrees to pay for the reasonable cost of any such review or engagement by the OIG or any of its designated agents.

E. Confidential Disclosure Program. HHHSC shall continue to maintain its Employee Reporting program, including the hotline for the duration of this CIA. The HHHSC Employee Reporting program shall include the following elements or requirements:

For any disclosure made through one of HHHSC's Employee Reporting program that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice, and (2) provides an opportunity for taking corrective action, HHHSC shall conduct an internal review of the allegations set forth in such a disclosure and ensure that proper follow-up is conducted.

The Compliance Officer shall maintain a confidential disclosure log, which shall include a record and summary of each allegation received, the status of the respective investigations, and any corrective action taken in response to the investigation.

F. Ineligible Persons.

1. *Definition.* For purposes of this CIA, an "Ineligible Person" shall be any individual or entity who: (i) is currently excluded, suspended, debarred or otherwise ineligible to participate in the Federal health care programs; or (ii) has been convicted of

a criminal offense related to the provision of health care items or services and has not been reinstated in the Federal health care programs after a period of exclusion, suspension, debarment, or ineligibility.

2. *Screening Requirements.* HHHSC shall not hire or engage as contractors any Ineligible Person. To prevent hiring or contracting with any Ineligible Person, HHHSC shall screen all prospective employees and prospective contractors prior to engaging their services by (i) requiring applicants to disclose whether they are Ineligible Persons, and (ii) reviewing the General Services Administration's List of Parties Excluded from Federal Programs (available through the Internet at <http://www.arnet.gov/epls>) and the HHS/OIG Cumulative Sanction Report (available through the Internet at <http://www.dhhs.gov/progorg/oig>) (these lists and reports will hereinafter be referred to as the "Exclusion Lists").

3. *Review and Removal Requirement.* HHHSC will review on a semi-annual basis its list of current employees and contractors against the Exclusion Lists. If HHHSC has notice that an employee or agent has become an Ineligible Person, HHHSC will remove such person from responsibility for, or involvement with, HHHSC's business operations related to the Federal health care programs and shall remove such person from any position for which the person's salary or the items or services rendered, ordered, or prescribed by the person are paid in whole or part, directly or indirectly, by Federal health

care programs or otherwise with Federal funds at least until such time as the person is reinstated into participation in the Federal health care programs.

4. *Pending Charges and Proposed Exclusions.* If HHHSC has notice that an employee or contractor is charged with a criminal offense related to any Federal health care program, or is proposed for exclusion during his or her employment or contract, HHHSC shall take all appropriate actions to ensure that the responsibilities of that employee or contractor do not adversely affect the quality of care rendered to any patient or resident, or the accuracy of any claims submitted to any Federal health care program.

G. Notification of Proceedings. Within thirty (30) days of discovery, HHHSC shall notify OIG, in writing, of any ongoing investigation or legal proceeding conducted or brought by a governmental entity or its agents involving an allegation that HHHSC has committed a crime or has engaged in fraudulent activities or any other knowing misconduct. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. HHHSC shall also provide written notice to OIG within thirty (30) days of the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the proceedings, if any.

H. Reporting.

1. *Reporting of Overpayments.* If, at any time, HHHSC determines that it has received an overpayment from a Federal health care program, HHHSC shall notify

the payor (e.g., Medicare fiscal intermediary or carrier) within 30 days of discovering the overpayment and take remedial steps within 60 days of discovery (or such additional time as may be agreed to by the payor) to correct the problem, including preventing the underlying problem and the overpayments from recurring.

2. *Reporting of Material Deficiencies.* If, at any time, HHHSC determines that there is a material deficiency, HHHSC shall notify the OIG within 30 days of such determination. HHHSC's notification to the OIG shall include the following information; however, if the material deficiency does not involve an overpayment, the requirements of a and b below do not apply:

- a. all of the information provided to the payor in returning the overpayment;
- b. the name and the address of the payor to whom the overpayment was returned;
- c. a complete description of the material deficiency; including the relevant facts, persons involved, and legal and program authorities;
- d. HHHSC's actions to correct the problem; and
- e. any further steps HHHSC plans to take to address the problem and prevent it from recurring.

3. *Definition of "Overpayment."* For purposes of this CIA, an "overpayment" means the amount of money the provider has received in excess of the

amount due and payable under the Federal health care programs' statutes, regulations, and program directives including carrier and intermediary instructions.

4. *Definition of "Material Deficiency."* For purposes of this CIA, a "material deficiency" means anything that involves: (i) a substantial overpayment; (ii) conduct or policies that clearly violate the Medicare and/or Medicaid statute or regulations issued by HCFA and/or its agents and relating to billing and coding; or (iii) a violation of the obligation to provide items or services of a quality that meet professionally recognized standards of health care where such violation has occurred in one or more instances that presents an imminent danger to the health, safety, or well-being of a Federal health care program beneficiary to places the beneficiary unnecessarily in a high-risk situation. A material deficiency may be the result of an isolated event or a series of occurrences.

IV. NEW LOCATIONS

In the event that HHHSC purchases or establishes new business units after the effective date of this CIA, HHHSC shall notify OIG of this fact within thirty (30) days of the date of purchase or establishment. This notification shall include the location of the new operation(s), phone number, fax number, Federal health care program provider number(s) (if any), and the corresponding payor(s) (contractor specific) that has issued each provider number. All employees at such locations shall be subject to the

requirements in this CIA that apply to new employees (e.g., completing certifications and undergoing training).

V. ANNUAL REPORTS

HHHSC shall submit to OIG Annual Reports with respect to the status and findings of HHHSC's compliance activities. The Annual Reports shall include:

1. any change in the identity or position description of the Compliance Officer and/or members of the Compliance Committee described in section III.A;
2. a certification by the Compliance Officer that:
 - a. all covered persons have completed the annual Code of Conduct certification required by section III.B.1; and

3. notification of any changes or amendments to the Policies and Procedures required by section III.B and the reasons for such changes (e.g., change in contractor policy);
4. a complete copy of the audit report prepared prepared by HHHSC and the verification report prepared by the IRO pursuant to the billing and compliance audit procedure, including a copy of the methodology used;

5. HHHSC's response/corrective action plan to any issues raised by the Independent Review Organization;
6. a summary of material deficiencies identified and reported throughout the course of the previous twelve (12) months pursuant to section III.H;
7. a report of the aggregate overpayments that have been returned to the Federal health care programs that were discovered as a direct or indirect result of implementing this CIA. Overpayment amounts should be broken down into the following categories: Medicare, Medicaid (report each applicable state separately) and other Federal health care programs;
8. a copy of the confidential disclosure log required by section III.E;
9. a description of any personnel action taken by HHHSC as a result of the obligations in section III.F;
10. a summary describing any ongoing investigation or legal proceeding conducted or brought by a governmental entity involving an allegation that HHHSC has committed a crime or has engaged in fraudulent activities, which have been reported pursuant to section III.G. The statement shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation, legal proceeding or requests for information;

11. a corrective action plan to address the probable violations of law identified in section III.H; and
12. a listing of all of the HHHSC locations (including locations and mailing addresses), the corresponding name under which each location is doing business, the corresponding phone numbers and fax numbers, each location's Federal health care program provider identification number(s) and the payor (specific contractor) that issued each provider identification number.

Given that upon execution of this CIA, HHHSC will have been more than 9 months into the implementation of the March 11, 1999 CIA, the first Annual Report for this CIA shall be received by the OIG no later than April 11, 2000. Subsequent Annual Reports shall be submitted no later than the anniversary date of the due date of the first Annual Report.

C. Certifications. The Annual Reports shall include a certification by the Compliance Officer under penalty of law, that: (1) HHHSC is in compliance with all of the requirements of this CIA, to the best of his or her knowledge; and (2) the Compliance Officer has reviewed the Report and has made reasonable inquiry regarding its content and believes that, upon such inquiry, the information is accurate and truthful.

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s), may examine HHHSC's books, records, and other documents and supporting materials for the purpose of verifying and evaluating: (a) HHHSC's compliance with the terms of this CIA; and (b) HHHSC's compliance with the

requirements of the Federal health care programs in which it participates. The documentation described above shall be made available by HHHSC to OIG or its duly authorized representative(s) at all reasonable times for inspection, audit or reproduction. HHHSC agrees to assist OIG in contacting and arranging interviews with such employee upon OIG's request. HHHSC's employees may elect to be interviewed with or without a representative of HHHSC present.

VIII. DOCUMENT AND RECORD RETENTION

HHHSC shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs or to compliance with this CIA, six (6) years (or longer if otherwise required by law).

IX. PRIVILEGES AND DISCLOSURES

Nothing in this CIA shall constitute or be construed as a waiver by HHHSC of its attorney-client privilege or any other applicable privilege. Notwithstanding that fact, the existence of any such privilege does not affect HHHSC's obligation to comply with the provisions of this CIA.

Subject to HHHSC's Freedom of Information Act ("FOIA") procedures, set forth in 45 C.F.R. Part 5, the OIG shall make a reasonable effort to notify HHHSC prior to any release by OIG of information submitted by HHHSC pursuant to its obligations under this CIA and identified upon submission by HHHSC as trade secrets, commercial or financial information and privileged and confidential under the FOIA rules. HHHSC shall refrain from identifying any information as trade secrets, commercial or financial information and privileged and confidential that does not meet the criteria for exemption from disclosure under FOIA.

X. BREACH AND DEFAULT PROVISIONS

HHHSC is expected to fully and timely comply with all of the obligations herein throughout the term of this CIA or other time frames herein agreed to.

A. Stipulated Penalties for Failure to Comply with Certain Obligations. As a contractual remedy, HHHSC and OIG hereby agree that failure to comply with certain obligations set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as "Stipulated Penalties") in accordance with the following provisions.

1. A Stipulated Penalty of \$1,500 (which shall begin to accrue on the day after the date the obligation became due) for each day after the effective date of this CIA and concluding at the end of the term of this CIA, HHHSC fails to have in place any of the following:

- a. a Compliance Officer;
- b. a Compliance Committee;
- c. written Code of Conduct;
- d. written Policies and Procedures;
- e. a training program; and
- f. a Confidential Disclosure Program;

2. A Stipulated Penalty of \$1,000 (which shall begin to accrue on the day after the date the obligation became due) for each day HHHSC fails meet any of the deadlines to submit the Annual Reports to the OIG.

3. A Stipulated Penalty of \$1,000 (which shall begin to accrue on the date the failure to comply began) for each day HHHSC:

- a. hires or enters into a contract with an Ineligible Person after that person has been listed by a federal agency as excluded, debarred, suspended or otherwise ineligible for participation in the Medicare, Medicaid or any other Federal health care program (as defined in 42 U.S.C. § 1320a-7b(f)) (this Stipulated Penalty shall not be demanded for any time period during which HHHSC can demonstrate that it did not discover the person's exclusion or other ineligibility after making a reasonable inquiry (as described in section III.F) as to the status of the person);

- b. employs or contracts with an Ineligible Person and that person: (i) has responsibility for, or involvement with, HHHSC's business operations related to the

Federal health care programs or (ii) is in a position for which the person's salary or the items or services rendered, ordered, or prescribed by the person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds (this Stipulated Penalty shall not be demanded for any time period during which HHHSC can demonstrate that it did not discover the person's exclusion or other ineligibility after making a reasonable inquiry (as described in section III.F) as to the status of the person);

4. A Stipulated Penalty of \$1,000 (which shall begin to accrue on the date the HHHSC fails to grant access) for each day HHHSC fails to grant access to the information or documentation as required in section VII of this CIA.

5. A Stipulated Penalty of \$1,000 (which shall begin to accrue ten (10) days after the date that OIG provides notice to HHHSC of the failure to comply) for each day HHHSC fails to comply fully and adequately with any obligation of this CIA. In its notice to HHHSC, the OIG shall state the specific grounds for its determination that the HHHSC has failed to comply fully and adequately with the CIA obligation(s) at issue.

B. Payment of Stipulated Penalties.

1. *Demand Letter.* Upon a finding that HHHSC has failed to comply with any of the obligations described in section X.A and determining that Stipulated Penalties are appropriate, OIG shall notify HHHSC by personal service or certified mail of (a) HHHSC's failure to comply; and (b) the OIG's exercise of its contractual right to demand

payment of the Stipulated Penalties (this notification is hereinafter referred to as the “Demand Letter”).

Within fifteen (15) days of the date of the Demand Letter, HHHSC shall either (a) cure the breach to the OIG’s satisfaction and pay the applicable stipulated penalties; or (b) request a hearing before an HHS administrative law judge (“ALJ”) to dispute the OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in section X.D. In the event HHHSC elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until HHHSC cures, to the OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under section X.C.

2. *Timely Written Requests for Extensions.* HHHSC may submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after HHHSC fails to meet the revised deadline as agreed to by the OIG -approved extension. Notwithstanding any other provision in this section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until two (2) business days after

HHHSC receives OIG's written denial of such request. A "timely written request" is defined as a request in writing received by OIG at least five (5) business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

3. *Form of Payment.* Payment of the Stipulated Penalties shall be made by certified or cashier's check, payable to "Secretary of the Department of Health and Human Services," and submitted to OIG at the address set forth in section VI.

4. *Independence from Material Breach Determination.* Except as otherwise noted, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for the OIG's determination that HHHSC has materially breached this CIA, which decision shall be made at the OIG's discretion and governed by the provisions in section X.C, below.

C. Exclusion for Material Breach of this CIA

1. *Notice of Material Breach and Intent to Exclude.* The parties agree that a material breach of this CIA by HHHSC constitutes an independent basis for HHHSC's exclusion from participation in the Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)). Upon a determination by OIG that HHHSC has materially breached this CIA and that exclusion should be imposed, the OIG shall notify HHHSC by certified mail of (a) HHHSC's material breach; and (b) OIG's intent to exercise its contractual right to

impose exclusion (this notification is hereinafter referred to as the “Notice of Material Breach and Intent to Exclude”).

2. *Opportunity to cure.* HHHSC shall have thirty five (35) days from the date of the Notice of Material Breach and Intent to Exclude Letter to demonstrate to the OIG’s satisfaction that:

- a. HHHSC is in full compliance with this CIA;
- b. the alleged material breach has been cured; or
- c. the alleged material breach cannot be cured within the 35-day period, but that: (i) HHHSC has begun to take action to cure the material breach, (ii) HHHSC is pursuing such action with due diligence, and (iii) HHHSC has provided to OIG a reasonable timetable for curing the material breach.

3. *Exclusion Letter.* If at the conclusion of the thirty five (35) day period, HHHSC fails to satisfy the requirements of section X.C.2, OIG may exclude HHHSC from participation in the Federal health care programs. OIG will notify HHHSC in writing of its determination to excluded HHHSC (this letter shall be referred to hereinafter as the “Exclusion Letter”). Subject to the Dispute Resolution provisions in section X.D, below, the exclusion shall go into effect thirty (30) days after the date of the Exclusion Letter. The exclusion shall have national effect and will also apply to all other federal procurement and non-procurement programs. If HHHSC is excluded under the

provisions of this CIA, HHHSC may seek reinstatement pursuant to the provisions at 42 C.F.R. §§ 1001.3001-.3004.

4. *Material Breach.* A material breach of this CIA means:

- a. a failure by HHHSC to report a material deficiency, take corrective action and pay the appropriate refunds, as provided in section III.D;
- b. repeated or flagrant violations of the obligations under this CIA, including, but not limited to, the obligations addressed in section X.A of this CIA;
- c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with section X.B above; or
- d. a failure to retain and use an Independent Review Organization for verification purposes in accordance with section III.D.

D. Dispute Resolution

1. *Review Rights.* Upon the OIG's delivery to HHHSC of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under the obligation of this CIA, HHHSC shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, the OIG's determination to demand payment of

Stipulated Penalties or to seek exclusion shall be subject to review by an ALJ and, in the event of an appeal, the Departmental Appeals Board ("DAB"), in a manner consistent with the provisions in 42 C.F.R. §§ 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving stipulated penalties shall be made within fifteen (15) days of the date of the Demand Letter and the request for a hearing involving exclusion shall be made within thirty (30) days of the date of the Exclusion Letter.

2. *Stipulated Penalties Review.* Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a proceeding for stipulated penalties under this CIA shall be (a) whether HHHSC was in full and timely compliance with the obligations of this CIA for which the OIG demands payment; and (b) the period of noncompliance. HHHSC shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. If the ALJ finds for the OIG with regard to a finding of a breach of this CIA and orders HHHSC to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable twenty (20) days after the ALJ issues such a decision notwithstanding that HHHSC may request review of the ALJ decision by the DAB.

3. *Exclusion Review.* Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be (a) whether

HHHSC was in material breach of this CIA; (b) whether such breach was continuing on the date of the Exclusion Letter; and (c) the alleged material breach cannot be cured within the 35 day period, but that (i) HHHSC has begun to take action to cure the material breach, (ii) HHHSC is pursuing such action with due diligence, and (iii) HHHSC has provided to OIG a reasonable timetable for curing the material breach. For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision that is favorable to the OIG. HHHSC's election of its contractual right to appeal to the DAB shall not abrogate the OIG's authority to exclude HHHSC upon the issuance of the ALJ's decision. If the ALJ sustains the determination of the OIG and determines that exclusion is authorized, such exclusion shall take effect twenty (20) days after the ALJ issues such a decision, notwithstanding that HHHSC may request review of the ALJ decision by the DAB.

4. *Finality of Decision.* The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB's decision (or the ALJ's decision if not appealed) shall be considered final for all purposes under this CIA and HHHSC agrees to waive any right it may have to appeal the decision administratively, judicially or otherwise seek review by any court or other adjudicative forum.

XI. EFFECTIVE AND BINDING AGREEMENT

Consistent with the provisions in the Settlement Agreement pursuant to which this CIA is entered, and into which this CIA is incorporated, HHHSC and OIG agree as follows:

A. This CIA shall be binding on the successors, assigns and transferees of HHHSC;

B. This CIA shall become final and binding on the date the final signature is obtained on the CIA;

C. Any modifications to this CIA shall be made with the prior written consent of the parties to this CIA; and

D. The undersigned HHHSC signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatory represents that he is signing this CIA in his official capacity and that he is authorized to execute this CIA.
